Michael seems personable

experience that could benefit
the Orchestra. Experience!
If he was effective in previous →

Michael

Very calm demeanor

Sounds knowledgeable

Michael -

- Seemed good w/ Financials
- Not as comfortable in a group
- Not sure how he would relate to donors

Reichman

- very business-like (stiff?)
- concerned that he will have to commute...
- why is he leaving Charlotte Symphony?

Be careful with both the Music Director and Executive Director living out of town, the community's connection with our orchestra could lessen...
